\_\_\_\_\_ correct × 2 pt. each = \_\_\_\_\_ / 32

### BACTERIAL, FUNGAL, PARASITIC, VIRAL, OR NONINFECTIOUS

Label each disease or condition as Bacterial, Fungal, Parasitic, Viral, or Noninfectious.

Use B = Bacterial, F = Fungal, P = Parasitic, V = Viral, N = Noninfectious

- |                              |                              |                  |
|------------------------------|------------------------------|------------------|
| _____ Agalactia              | _____ Coccidiosis            | _____ Ear Canker |
| _____ Enterotoxemia          | _____ Hutch Burn             | _____ Ketosis    |
| _____ Malocclusion           | _____ Mastitis               | _____ Mites      |
| _____ Myxomatosis            | _____ Pea Eye                | _____ Pneumonia  |
| _____ Pododermatitis         | _____ Red Urine (in rabbits) | _____ RHD        |
| _____ Ringworm               | _____ Scurvy                 | _____ Snuffles   |
| _____ Urinary Bladder Stones | _____ Vent Disease           | _____ Warbles    |

\_\_\_\_\_ correct × 1 pt. each = \_\_\_\_/21

### CAVY CLASSES

Fill out the blanks in the table with the correct information.

Class	Age	Weight
Junior	Maximum: ____ months	Minimum: ____ ounces Maximum: ____ ounces
Intermediate	Maximum: ____ months	Minimum: ____ ounces Maximum: ____ ounces
Senior		Minimum: ____ ounces

\_\_\_\_\_ correct × 1 pt. each = \_\_\_\_/7

Total = \_\_\_\_ / 28

## SWEEPSTAKES TABLES

Fill out the tables below. Put Y or N to indicate whether or not the animal earned a Grand Champion leg. Put the number of sweepstakes points each rabbit earned. Also write the number of exhibitors or number of animals in the class where applicable.

# of exhibitors: 2      # of animals in class: 12

Ear #	Exhibitor	Placing	Leg? (Y/N)	Points
TIM	S. Smith	1		
A5	J. Doe	2		
A8	J. Doe	3		
JIM	S. Smith	4		
HIM	S. Smith	5		

# of exhibitors: 3      # of animals in class: 4

Ear #	Exhibitor	Placing	Leg? (Y/N)	Points
BOB	K. Brown	1		
126	T. Green	2		
110	T. Green	3		
NIM	S. Smith	4		
-	-	-	-	-

# of exhibitors:           # of animals in class: 7

Ear #	Exhibitor	Placing	Leg? (Y/N)	Points
PIM	S. Smith	1		
A2	J. Doe	2		
A4	J. Doe	3		
SUE	K. Brown	4		
213	T. Green	5		
LYN	K. Brown	6		
348	T. Green	7		

# of exhibitors: 3      # of animals in class:     

Ear #	Exhibitor	Placing	Leg? (Y/N)	Points
260	T. Green	1		
JOE	K. Brown	2		
B6	J. Doe	3		
JON	K. Brown	4		
B3	J. Doe	DQ: Wrong Variety		
-	-	-	-	-

\_\_\_ correct × 1 pt. each = \_\_\_ /44

## HOW WELL DO YOU KNOW YOUR ANGORA BREEDS?

Match each description with the correct Angora breed(s).

Use EA = English Angora, FA = French Angora, GA = Giant Angora, SA = Satin Angora

- |       |       |       |  |
|-------|-------|-------|--|
| _____ | _____ | _____ | 1. This is the smallest Angora breed   |
| _____ | _____ | _____ | 2. This is the largest Angora breed  |
| _____ | _____ | _____ | 3. This Angora breed has a compact body type   |
| _____ | _____ | _____ | 4. These 3 Angora breeds have commercial body type                                       |
| _____ | _____ | _____ | 5. Of the four Angora breeds, this one receives the most points for wool                 |
| _____ | _____ | _____ | 6. This Angora breed is recognized in the least number of registration varieties         |
| _____ | _____ | _____ | 7. These 2 Angora breeds are recognized in the greatest number of registration varieties |
| _____ | _____ | _____ | 8. This Angora breed is shown in 6 classes   |
| _____ | _____ | _____ | 9. These 3 Angora breeds DQ for short, coupled bodies                                    |
| _____ | _____ | _____ | 10. These 2 Angora breeds DQ for normal fur on the front or hind feet                    |
| _____ | _____ | _____ | 11. These 2 Angora breeds DQ for wool on the front feet                                  |
| _____ | _____ | _____ | 12. This Angora breed has bangs, side trimmings, and tassels                             |
